

## Do you know a high school senior who would thrive at MU?

Alumni are an integral part of the recruitment process at Marquette. You understand what the “Marquette Experience” is all about and you may know a student who would benefit from that same experience. Get a student started on the road to MU by endorsing an application and opening the student’s eyes to the opportunities a Marquette education offers.

**You will need your Alumni ID in order to complete the endorsement form.** If you do not have your Alumni ID, visit the MU Connect website ([muconnect.marquette.edu](http://muconnect.marquette.edu)) and either log in or sign up for an alumni account. Once your alumni status has been verified, and you have received access to MU Connect, your profile will display your alumni ID. You may also obtain your ID by contacting the Alumni Office at (800) 344-7544.

### Supporting a high school senior is easy!

- Print and fill out this form with the required information.
- Give the endorsement form to a high school senior who you feel is Marquette material.
- The student will be prompted to enter the information from the attached form directly onto the Marquette application.
- Make sure the student applies by the December 1 deadline.

### It’s that simple!

- You’ve referred a student who you feel would flourish at Marquette.
- Students who apply using an alumni endorsement are entered into a drawing for special Marquette prizes.

### Don’t know a high school senior?

- Drop off this form at your local high school counseling office.
